Mission Statement

"We, the members of Bickerdike Redevelopment Corporation, are committed to the redevelopment of the Humboldt Park, Logan Square, West Town, Hermosa, and Avondale communities for the benefit of and control by the low and moderate-income families in these areas. We are deeply dedicated to preserving the ethnic and cultural character of our neighborhoods, while improving the economic conditions of the community. We carry out our mission by: providing high quality affordable housing, struggling against gentrification and displacement, promoting economic development by creating and preserving jobs, and advocating for additional resources. In all our endeavors, we are committed to the principles of: honesty, openness, democratic process, education, involvement and empowerment of community residents, self-worth, self-respect, and pride. Networking with other organizations and stakeholders who share the vision of the community's collective struggle to control its own destiny is integral to Bickerdike's mission."
